

Rugby NorCal 2020 Code of Conduct

Purpose

ALL RUGBY NORCAL Clubs, and their affiliated Coaches, Referees and Administrators confirm their joint objective and firm commitment to maintain a safe, positive and youth/family-oriented environment for all Players, Coaches, Administrators, Referees, Match Officials and Spectators.

Coach Requirements

1. Each Coach shall maintain a current USA Rugby (USAR) CIPP Registration Number and be properly and currently certified through the USAR Coach Certification Program and be in good standing with RUGBY NORCAL and USAR.
2. The Head Coach for each Team is responsible for the attitude, conduct and sportsmanship of his/her Coaches, Administrators, Field Officials, Players and Spectators. This is not a legal responsibility, but a leadership and conduct responsibility. Rugby NorCal takes a **"Zero Tolerance to Violence and Harassment"** and expects that the Clubs and coaches adhere to that mantra.
3. The Head Coach shall ensure the Team's coaches, players and spectators do not engage in bantering or questioning of the Referee's call, or harassment of opposing players. A failure to meet this requirement may be reported to the Regional Disciplinary Committee (RDC) by the Referee or an opposing coach.
4. It is the responsibility of the Home Team Head Coach to assure that a pre-match meeting takes place with the visiting coach and the Referee to discuss field requirements, rosters and complete match report checklist. Failure to have a meeting to complete match report pre-game will result in forfeiture of the match.
5. After each match, the Home must submit the match report to RUGBY NORCAL.

Sideline Requirements

1. Any Coach, Player, Administrator, Field Official or Spectator acting in a menacing, harassing or belligerent manner, or using foul, provocative or inciting language, or enters the field in a menacing manner will be subject to immediate sanctions, as determined by the Referee, such as removal from the playing enclosure, and the Head Coach can be issued a Yellow or Red Card. Clubs not taking immediate steps to enforce such a ban or disassociation are subject to further sanctions or disassociation from Rugby NorCal.
2. If a Coach, sidelined Player, Administrator, Field Official or Spectator may not enter the field in a menacing manner

Field Requirements

1. Sideline Barriers, including ropes, barricades or fencing, must be installed prior to the match and maintained through the entire length of the match from goal line to goal line. They must be maintained at least five (5) meters from the touch line. Exceptions to the distance because of physical constraints can be allowed by the Referee.
2. Technical zones are mandatory for all High School and Middle School matches. Details of these zone requirements can be found on the Rugby NorCal Website. A referee may not proceed with a match if the above two points are not met.
3. Only ONE CIPP registered and eligible RUGBY NORCAL Level 200 Certified Coach may stand in the coaches' box at any given time. Field Monitors and Medical Personal, may stand inside the barriers of the various team's bench areas. Replacement players are NOT permitted inside the Coach's box, and a coach may not leave the technical zone for ANY REASON.
4. Each Team will assign one (1) or two (2) Field Monitors (Field Officials) to ensure compliance with the barrier restrictions and conduct of its Coaches, Administrators, Players and Spectators. The purpose of the Field Monitors is to first inform the violators, then the Head Coaches, then the Referees of any violations of this Code of Conduct.

Club Requirements

1. All Clubs must agree to follow this RUGBY NORCAL Code of Conduct. It is the Club President/Board's responsibility to ensure that his/her Coaches, Administrators, Field Officials and Players have read and understand their obligations under this Code. It is also the Head Coaches responsibility to inform his/her Spectators of the general rules and requirements of this Code.
2. Rugby NorCal has a **"Zero Tolerance to Harassment or Abuse"** by Coach to Player, Player to Player, or Coach/Player/Spectator to Referee. Any abuse/harassment that occurs should be reported through Safe Sport <https://safesport.org/report-a-concern>. There is also a Safe Sport reporting button linked to the Rugby NorCal website.
3. Rugby NorCal has a **"Zero Tolerance to Drugs, Alcohol and Tobacco"** no alcohol, tobacco, marijuana and/or illegal substance consumption at practices and during the matches by coaches, players or spectators.
4. All Players must be properly registered through Rugby NorCal Match Apt system. This system also registers the Players through USAR and validates their CIPP Number. All Coaches, Referees, and Administrators MUST be properly registered through USA Rugby's registration system.
5. For all RUGBY NORCAL Sanctioned Events, each Team shall maintain a copy of their match or event specific RUGBY NORCAL Match Roster, Match Result and Player Pictures forms at the field of play.
6. All Team Rosters must be entered into Match Apt no less than twelve (12) hours prior to the Match Time.
7. No Player shall compete in any RUGBY NORCAL Sanctioned Event unless they are properly registered, are in good standing, and are listed on the specific match or event RUGBY NORCAL Match Roster and are shown on the Player Picture form.
8. Any Team that allows an ineligible Player or Coach to participate in a RUGBY NORCAL Sanctioned Event shall be suspended indefinitely pending an audit. The suspension and audit may apply to other teams in the club. The team(s) or club will remain suspended until the audit is complete and RNC approves reinstatement. Audits may take several weeks or longer. Repeat violations may result in a permanent ban.

9. All High School Conference Matches must be videotaped by the Home Team. In the event of a dispute, and within 48 hours of a request by the RDC, the unedited video must be made available to the RDC for review and use in any hearings or proceedings. Failure to provide an unedited video within 48 hours of the request can result in sanctions, such as forfeiture of the match, by the RDC.
10. ALL Rugby NorCal Clubs are REQUIRED to have 100% compliance with player registration, uploading of head shots, and school documents, with all players having been submitted for verification by week 3 in the season.
11. Rugby NorCal will strive to assign a Certified Athletic Trainer to every match for the 2018 season. If RNC is not able to assign an ATC, clubs are required to have a suitably trained medical person on site for their game. The minimum medical personnel requirement for 2018 is a certified first responder or Certified Athletic Trainer with current year credentials from the California Athletic Trainers Organization. All medical personnel must have current First Aid, CPR, and AED certifications.

Referee Requirements

1. Referees will maintain RUGBY NORCAL, USAR CIPP and/or Referee Society registration and certifications, and follow Rugby NorCal Code of Conduct.
2. Referees will complete and sign Rugby NorCal Match Report, and will take a photo and email it, scan or fax it to Rugby NorCal within 48 hours of the Match to confirm referee payment.
3. Referees will hold a coaching meeting prior to the game to discuss and confirm field requirements, including the Technical Box requirement. The referee will observe the two team's administrators as they check the opposing teams rosters and headshots. If there are any protests, they must be written on the match report that will be turned in by the referee.
4. Referees will identify the medical personnel assigned to the match prior to kick off. If no medical personnel are identified, the match must not proceed. The minimum medical personnel requirement is a Certified Athletic Trainer with current year credentials from the California Athletic Trainers Organization, or a certified first responder. All medical personnel must have current First Aid, CPR, and AED certifications. Referees need not confirm that the identified medical personnel is in fact qualified; such confirmation is the responsibility of Rugby Norcal, the vendor, or the home team if necessary.
5. Referees not enforcing all Field, Team or Sideline Conduct Requirements are subject to sanction by Rugby NorCal Referee Committee, the RDC, Rugby NorCal Competitions Committee, Rugby NorCal Board of Directors, or the applicable Referee Society Board of Directors.
6. In the event that a certified Referee is not available for a RUGBY NORCAL Sanctioned Event, it is the prerogative of both Head Coaches to determine whether a suitable Referee can officiate the match. Both Head Coaches must agree prior to the match and cannot withdraw that approval, except in the case where safety is concerned.

Match Conduct

1. All player Red Card Violations shall result in an automatic suspension from all further play until the situation is reviewed by Rugby NorCal Disciplinary Chair. All Coach/Sideline/Spectator Red and Yellow Card violations shall result in an automatic suspension as detailed in the Rugby NorCal Disciplinary Policy Document.
2. Three or more Red Card Violations, and/or seven or more yellow cards by any team division in a season may result in the Club, represented by the President or member

of their Board, appearing before the RDC to explain how the issues will immediately be resolved. Sanctions for such behavior may include all or some of the sanctions listed in the Rugby NorCal Disciplinary Policy Document.

Referee Abandonment of Match

1. The Referee will commence the match only if all Field Requirements are met, including technical zones, medical personnel and rosters, and will abandon the match if the Field, Team or Sideline Conduct Requirements are not maintained.
2. The Referee will abandon the match if any Match Official (Referee, Touch Judge, Field Monitor or other assigned official) is threatened verbally or physically. The referee should award a Red Card to the offending parties prior to abandoning any match.
3. Before abandoning a match, the Referee will meet with the Team Captains or Head Coaches to explain why this action is being taken.
