

2021 Rugby NorCal Calendar Changes

July 24, 2020

Rugby NorCal is announcing changes to the 2021 high school rugby calendar following the California Interscholastic Federation announcement on July 20. The CIF announced changes to the season calendar for all high school sports, including football. As a result, we anticipate high demand for field space and have made changes to the high school rugby season to address this.

The boys and girls high school rugby season will start after the football season. There will also be boys and girls high school sevens tournaments in January and February for both club and school teams. Currently the youth rugby season remains the same as last year. Schedules after the month of June will be determined later.

We continue to monitor the situation and prepare for additional changes if necessary. Rugby NorCal will update its membership when new information becomes available.

Best Regards,
